

# PREMIUM PILSENER

The Bohemia Regent brewery is one of the oldest in the world and is one of the cultural heritage landmarks of the Czech republic. The brewery was established in 1379 in the castle of the southern Bohemian town of Trebon. It remains independent and family owned after more than 600 years while still strictly adhering to traditional Czech brewing methods.

This authentic Czech Craft Pilsner is the flagship beer of the Bohemia Regent brewery. We use only the best (and local) Saaz hops and Moravian barley, soft water from our own artesian wells, and pure cultures of bottom fermentation yeast strains. Double decoction mashing and 90 day secondary fermentation in the centuries old brewery cellars deliver a beautifully balanced, lightly carbonated pilsner with easy-on-the-mouth hoppiness and medium bitterness.
