

Rauchbier

Established in 1514, Brauerei Göller is one of the oldest family-owned craft breweries in the world. They continue to source all grains locally, never pasteurize, and lager all beers for six weeks or more.

Smoked lagers are an old Franconian tradition, but rare in America. This one-of-kind dark lager shows ruby-brown in the glass, with cream-colored foam. Initial bitterness gives way to a smooth finish, as the subtle smokiness enhances the caramel and nutty flavors lingering on the tongue with a sweet aftertaste. The complexity of flavors also includes hints of bacon, chocolate & coffee. This smoked lager outcompetes any other regional smoked beers. It pairs exceptionally well with smoked meats, a variety of cheeses, and even cigars.
