

DARK LAGER

The Bohemia Regent brewery is one of the oldest in the world and is one of the cultural heritage landmarks of the Czech republic. The brewery as established in 1379 in the castle of the southern Bohemian town of Trebon. It remains independent and family owned after more than 600 years while still strictly adhering to traditional Czech brewing methods.

30 LITER KEGS

16.9 OZ CANS

A traditional, craft Czech dark lager, black in color, brewed from pale caramel and dark malts and hopped with Saas varieties.

“It has an appealing aroma of floral, spicy hops and bitter chocolate. The finish is hoppy and malty with a powerful hint of cappuccino coffee” from Roger Protz - 300 Beers To Taste Before You Die.
