

# STEINHAUER *Weisse*

Established in 1514, Brauerei Göller is one of the oldest family-owned craft breweries in the world. They continue to source all grains locally, never pasteurize, and lager all beers for six weeks or more.

The bubbly and unfiltered Weisse from Göller defines the hefeweizen style of Bavaria. The clean, dry mouthfeel balances the fruity banana and clove and a bright citrus aroma. True to style, this top fermented ale contains more than half wheat malts and is lightly hopped with Hallertauer Tradition. No filtration nor pasteurization leaves a cloudy, straw colored beauty topped with a foamy white head. No wonder it won multiple gold medals from the prestigious DLG Awards in Germany!
