

Zum Hirschen

Established in 1514, Brauerei Göller is one of the oldest family-owned craft breweries in the world. They continue to source all grains locally, never pasteurize, and lager all beers for six weeks or more.

“Zum Hirschen” is a lively and fresh beer specialty that is particularly light and drinkable with an original gravity of 11%. When selecting yeast, we chose a German top-fermenting yeast strain to help give this ale its balanced full-bodiedness. This beer is typically only produced once every six or seven years, so get it while you can!
